

## Program Book Advertising, 2022-23 Season

Music has the power to move and inspire, to tell important stories, and to bring communities together. The Illuminati Vocal Arts Ensemble performs choral pieces and masterworks from all periods and styles, often in collaboration with other musical organizations throughout the Pioneer Valley. Our sold-out concerts attract a discerning audience that shares a passion for performance at the highest level. Noted pianist, composer and music reviewer Clifton Noble, Jr., recently complimented us as "the Valley's finest chorus."

In our ninth season, and our first under the baton of our interim conductor, Dr. Arianne Abela, we will offer concerts ranging from "In illo tempori," featuring J. S. Bach's two greatest motets; "Mercy" featuring Schütz' haunting "Musikalische Exequien" and Lang's Pulitzer-winning contemporary masterpiece "the little match girl passion;" and "The Scythe and the Fountain," featuring Howells' Requiem, and works by Gjello, Holst, Thompson, Whittacre and Tavener. We are excited to present this enduring, timely, and moving music to our ever-widening audience.
